Discussion info: New worksheet every week. Try the worksheet before coming and I'll review solutions. Closed-note quizzes are the last X minutes of discussion on weeks a, b, c ... Contact me for make-ups. The week after every quiz, I go over common mistakes and how students lost points so that people know how to improve.

More info: check website

Feedback form: opens after 4 weeks. Based on how the 1st 4 weeks go, I'll take feedback and anything I observe so that I can improve my teaching and logistics for the rest of the semester.
